

finals undefeated and they won the State Class B Championships 42 to 24. I ask the body to just accept this resolution. Thank you, Mr. Speaker.

SPEAKER WITHEM: Thank you, Senator Robak. Are there any individuals that would like to debate this resolution? Hearing none, do you have a close?

SENATOR ROBAK: I would just like to also extend my congratulations to Jim Puetz, the coach for the school, Scotus Central Catholic, and he also won this honor in 1984. Thank you.

SPEAKER WITHEM: Thank you, Senator. We will proceed to vote on LR 281. All in favor signify by voting aye, all opposed vote nay. Record, Mr. Clerk.

CLERK: 24 ayes, 0 nays, Mr. President, on adoption of LR 281.

SPEAKER WITHEM: LR 281 is adopted. Senator Kristensen for LR 283.

SENATOR KRISTENSEN: Thank you, Mr. Speaker and members of the Legislature. This morning I bring to you LR 283. If you'll look at it in your Journals, it is on page 193 of the Journal, it is a fairly short resolution but I think it is one that has been brought home to this Legislature and every other Legislature across the country many, many times. It seems to be popular as well in state government as well as municipal...municipalities in terms of the impact on federal mandates. What this resolution does, it does not or it is not meant to be a personal affront to any members of our congressional delegation. I have sent them all a personal letter advising them of this for the purpose of it, but I think that it is important for this Legislature to begin to recognize that and to begin some dialogue with Congress. What this resolution asks is that this Legislature needs to be apprised of federal mandates that are unfunded. It personally, not with a staff person but personally invites them and requests them to come and have a dialogue with us about federal unfunded mandates. And in the resolution part of it, it reads that Nebraska's congressional delegation be invited to report annually to the Legislature on federal initiatives requiring a legislative response, and I would hope that Senator Moore this morning might speak just a little bit about the impact of those
